With over a decade of expertise, I specialize in navigating complex projects to successful outcomes, both nationally and globally. As a certified PMP® professional, I bring a wealth of knowledge in project management methodologies such as Waterfall, Agile, and Scrum.

My skill set spans strategic project planning, adept risk management, influential team and stakeholder leadership, negotiation acumen, and an unwavering commitment to accountability. Having achieved success in ERP, SCM, education, E-commerce, and retail, I consistently deliver high-quality results while prioritizing customer satisfaction.

Recognized for my proficiency in meticulous project planning, proactive risk mitigation, accurate revenue forecasting, valuable customer feedback solicitation, and comprehensive project documentation, I ensure effective governance and escalation processes. This ensures contractual compliance and optimizes revenue and profitability in project outcomes.
