OBJECTIVE:

To support the growth and profitability of an organization and learn continuously.

EXPERIENCE:

DESIGN ENGINEER | PUMO TECHNOVATION | NOV-2022 TO PRESENT

- Understanding the purpose of the harness and its components and the environmental conditions.
- Assembling connectors and electrically defining components based on their type using CATIA V5 – Wiring harness discipline.
- Planning the route of the wires within the system to minimize interference and to ensure organised layout.
- Organizing the wire, bundling up creating branches, applying protective sleeve.
- Implementing proper insulation and protection for wires to prevent abrasion, vibration and environmental damage.
- Flattening the bundle for BOM generation.
- Drafting individual bundle segments for DFA.
- Understanding the requirements for routing of wiring harnesses as per the design gridlines.
- Routing the electrical cables without clashing.
- Experience in Creating 3D models, Part modelling, Assembly drawing, Sheetmetal and Weldments in Solid Works and CATIA V5.
- Creation of Sheet metal models Such as Design of Brackets, Mounts, Clamps in SolidWorks.
- Understanding of engineering drawing and basic knowledge in GD&T.

SR. SERVICE CONSULTANT | DYNATRADE AUTO SERVICE| NOV-2019 TO NOV-2022

- Worked in DYNATRADE AUTO SERVICE CENTRE (SAUD BAHWAN GROUP) at Abu Dhabi and Dubai.
- Gained experience in Multi Brand workshop with a successful track record of achieving set goals and targets.
- Experienced in handling Premium cars and heavy Vehicle to foresee service quality.
- Experienced in handling commercial / fleet vehicle and maintained record on service interval and purchase done on vehicle.

SERVICE ADVISOR | TAFE ACCESS, TATA MOTORS | JULY-2017- JULY 2019

- I had been selected as a Service Advisor and gained a very well experience to foresee and solve critical problems.
- Served in the above place even as a Service Marketing Officer and came to know how marketing is done both beneficial for customers and to the company.

CERTIFICATIONS & PROJECTS:

- Trained and proficient in Solid Works and CATIA V5 with Hands on experience.
- Car Door and Bumper Routing in Wiring Harness CATIA V5.
- EV battery Routing in Wiring Harness CATIA V5.
- Winner of Regional round in Service Advisor category conducted by Skill Next 2019.

EDUCATION:

BE MECHANICAL | 2017 | KARPAGAM COLLEGE OF ENGINEERING

- Major: BE Mechanical

SOFTWARE PROFICIENCY:

- Siebel Workshop - CRMDMS
- MS Office
- IBM AS-400
- Systems Applications & Products in Data Processing (SAP).
- CATIA V5 (R21)
- Solid Works 2022

DECLARATION:

I, hereby declare that the information furnished above are true to the best of my knowledge and belief.
