

Intro

A self taught web scraper and data analyst priorly experienced in Web Scraping, Web Crawling and Automation. Deeply passionate about scraping E-Commerce platforms such as Zara, H&M, MagicPin etc with demonstrated projects of data extraction. Knows using AI tools such as ChatGPT & stackoverflow to produce leverage over competitors to come up with creative and quick solutions.

Work Experience

DATA MINING ENGINEER – APOLLO TYRES LTD – Gurugram, Haryana

Dec 2022 - Jul 2023

- Designed and developed web crawlers to scrape currency conversions from OANDA.com using undetected chromedriver.
- Scraped and collected data from an energy website by mimicking the Backend JSON APIs using requests-html and Insomnia.
- Documented several web crawlers and highlighted their tangible parts to make changes for future use.
- Performed regular Data Cleaning using string manipulation, regex, generators to ensure change data into more usable and easy to use format for over 23 procurement department members.
- Utilized Selenium and macros to automate data entry process, saving an estimated 20 hours weekly.
- Performed weekly data analysis on over 650,000 item data entries.
- Contributed in cost cutting of data sourcing, upto Rs.200,000 by reporting flaws in UI of website structure causing hinderances in data extraction.

Projects

• **WEB SCRAPER NAME – MODULES/TECHNOLOGIES USED**

Aug 2023 – Dec 2023

- Zara Web Scraper – API, JSON, requests-html, Insomnia
- H & M Web Scraper – Selenium, XPath
- Andamen Web Scraper – requests, regex
- MagicPin Web Scraper - Rotating Proxies
- MagicPin Scraper – Selenium WebDriver, CSS Selectors

GITHUB - <https://bit.ly/3uJoiNe>

TABLEAU - <https://bit.ly/3SBaTdJ>

Skills

- Knows requests, requests-html, Asynchronous requests, API scraping, Proxy Rotation, REST API, Git, ETL
- Knows modules: Selenium, Scrapy, Undetected Chromedriver, BeautifulSoup
- Insomnia/Postman
- MS SQL Server, PostgreSQL
- Data Cleaning modules – Pandas, NumPy, Re
- Data Visualization – Tableau/Power Bi, Matplotlib, Seaborn

Education

BACHELOR OF TECHNOLOGY – ADGITM (GGSIPU) – 7.6 GPA

2021
