EDUCATION

B.E in Electrical and Electronics Engineering
New Horizon College of Engineering, Bangalore
07/2016 - 05/2020

8.18

Telangana State Board of Intermediate Education
Sri Chaitanya Junior College
06/2014 - 04/2016

8.97

Board of Andhra Pradesh
Narayana EM high school
04/2013 - 05/2014

7.8

SKILLS

Languages	Java, Core Java, Java 8, HTML, CSS, JavaScript, Angular, Spring Boot, RESTful API.
IDE and Tools	Eclipse, Spring Tool Suite(STS), Visual Studio Code, Postman, MySQL Workbench.
RDBMS/Databases	MySQL, H2 Database.
Cloud Technology	AZURE Cloud, CLM Icertis

OTHER SKILLS:

Natural Language Processing	ChatGPT
-----------------------------	---------

PERSONAL PROJECTS

Movie Application:

The project is about creating user friendly Movie Application using ChatGPT. To enhance user engagement and provide personalized movie recommendations based on user preferences.

Role: Application Developer

Objective:

- The main objective of this project is to provide all movies in one place to watch. They can move movies to the favorite section and facilities to search for the movies and provide search option for the movies.

Technologies Used:

- **ChatGPT** : Use OpenAI's ChatGPT Message Prompt.

Backend: Java with Spring Boot for Building RESTful APIs.

Frontend: Angular for the user interface.

Database: MySQL for storing data.

Design & Development Tools: Eclipse, Visual Studio Code, Postman, H2 Database.

Roles and Responsibilities:

- Open ChatGPT tool -> Create new Chat -> Send the User Inputs in the ChatGPT Message Prompt and the responses can be displayed.
- Review the response that is processed and displayed by the ChatGPT.
- Use Accordingly like Java and Spring Boot for backend development, HTML and CSS for building an intuitive user interface MySQL for database management, and Angular for frontend development.
- Testing Rest API's was done using Postman.

LANGUAGES

ENGLISH, TELUGU, KANNADA, HINDI.

CERTIFICATIONS

Microsoft Certified:

- Microsoft Azure Fundamentals – AZ-900
- Microsoft Azure Developer Associate – AZ-204

Icertis Certified:

- Icertis Contract Intelligence Practitioner
- Icertis Contract Intelligence Administrator
