Career Objective

I aim to be a valuable asset to the organization by leveraging my experience as a Business Analyst and my knowledge of product lifecycle management. My objective is to effectively manage engineering processes and data that align with current organizational practices and industry best standards while working on strategic projects. I am committed to enhancing my skills and capabilities to meet the challenges faced by the organization, ensuring timely delivery and high-performance results.

Work Experience

- 1. Accenture** - Engg Operation, Applications Management & Support Lead | Business Analyst
Duration: 08TH April 2025 till Date
Designation - Associate Manager, Engineering at Accenture
- 2. Whirlpool Of India Limited (GTEC)** - (Requirement Gathering | Define Processes | Engg. Applications Management & Support)
Duration: 26TH AUGUST, 2014 – 07TH April 2025
Designation: Lead Business Analyst
- 3. TATA Technologies, Pune** - (Technical Support| CAD Design | Presales Activities)
Duration: July 2008 to Aug 2014
Designation: Sr.PLM Consultant, Tata Motors and Tata Group India
- 4. Emerson Engineering Ltd, Pune** - (CAD Design)
Duration: Aug 2007 to Jan 2008
Designation: CAD Design Engineer

Certification & Technical Skillset

- Certified Business Analyst
- SCRUM Master Certified
- ITIL Certified

CAD/PLM Software Packages

• PLM Technology:- Windchill 12,(PDM Software/Project Link, MPM, WGM, ESI Interface)
• CAD:- Creo Parametric 10.0, (Various Modules in the Creo Software)
• Creo View, Creo Schematics
• Jira, IBM Rational, Basic of CodeBeamer
• Service Now (Snow Tickets)

Professional Experience

Accenture

Currently Working

Organization : - **Accenture PUNE, INDIA**
Designation : - **Associate Manager Custom Software Engineering**
Duration : - **April 7th 2025 Till Date**

Achievements and Responsibilities

- **Application Management Services**, Instrumental in streamlining and improving global processes, enhancing productivity, and increasing efficiency while providing support for engineering applications (Windchill PLM, Creo Suit, Custom Applications)
- **Business Analyst** - Requirements elicitation from various stakeholders for the initial Whirlpool Product Development System that transformed the way products are developed and delivered to market. Ability to interpret business needs and translate them into functional user stories for the Windchill/ PPTA application

Whirlpool of India Limited (GTEC), PUNE, India.

Organization : - **WHIRLPOOL OF INDIA LIMITED (GTEC) PUNE, INDIA.**
Designation : - **Lead Business Analyst**
Duration : - **26th August 2014 - April 7th, 2025**

Achievements and Responsibilities

- Training, Workshops/Demos, PTC Products, and new technologies
- Worked on 3D 4 all projects in TATA Motors (**Model Base Definition**)

Worked on Live Projects in the ERC Department in the design department.

Worked in the **TML ERC department** in the Vehicle Integration Group

- 3D Modeling, Part, Assembly Design & Drawing and Analysis on the brackets (CAE Analysis - Kinematics and Dynamic Analysis viewing the part collision)
- Worked on 3D 4 all projects in TATA Motors (Model Base Design)

Project Experience

Name	Trailer Body Design & Vehicle Integration
Role:	3D Modeling, Sheet-Metal Modeling, Assembly, Drafting. CAE Analysis Creating a Mechanism and checking the Collision between the parts and generating reports
Software used	Pro-E Wildfire 2.0 /5.0

Emerson Engineering Ltd

Organization:	<u>Emerson Engineering Ltd.</u>
Designation: -	Cad Design Engineer
Duration:	From Aug 2007 to Jan 2008 (6 Months)

Responsible For:

- Design of Bearing
- 3D modeling of bearing parts and assembling those parts.
- Detailing of the assembly and parts of the bearing
- Conversion of 3d to 2d.

Education

- Bachelor's in Mechanical Engineering from the Institute of Mechanical Engineers (IME India)
- Diploma in Automobile Engineering from N.M.V.Polytechnic under Mumbai University in the year 2002 with First Class
- Complete my S.S.C from the Maharashtra Board Pune in 1998

Extra Curricular Activities

- Played Volleyball at Inter-University Sports at Baramati in 2001-2002.
- Hiking, Badminton, Cycling, Running, Playing Football, and Cricket

Personal Details

Date of Birth : 02nd Oct 1981
Languages known : English, Hindi & Marathi
Sex : Male
Marital Status : Married
Nationality : Indian

Declaration: - All the above information is true to my knowledge.
