BRIEF SUMMARY

Final year Computer Science Engineering student with a solid foundation in programming, algorithms, and software development. Proficient in various languages and frameworks, with a focus on teamwork and problem-solving. Eager to contribute my skills and learn in a professional tech environment. My career objective as a software developer is to leverage my technical expertise in languages such as Java, CPP, Python, and web development to contribute to innovative projects and solutions. With a foundation in software engineering principles and a commitment to continuous learning, I aspire to excel in delivering efficient and scalable software solutions while being part of a dynamic and growth-oriented team.

KEY EXPERTISE

Python C CPP Java HTML CSS Javascript Problem Solving Data Structures AIML MySQL DBMS

EDUCATION

Ramaiah University of Applied Sciences, Bangalore
B.Tech. - Computer Science & Engineering | CGPA: 9.00 / 10.00

2020 - 2024
