 - Reviewed existing systems & procedures, designed internal controls/ quality audit checks for various operational areas thereby, achieved higher operational efficiency, resource rationalization and cost reduction.

Education

Diploma in Electrical & Electronics Engineering in Engineering

Raibag Polytechnic

2002

V.M.P. Higher Secondary

1996

Skills / IT Skills

- Production Management
- Cost Optimization
- Product / Process Validation
- Process Improvement
- Quality Control / Assurance
- Customer/ Client Relationship Management
- Training & Development
- Cross Functional Leadership
- Resource Optimization
- Safety Compliance
- Team Management Technical Proficiency MS
- Office, Windows 98/2000/XP/7, Designing/Vector Program like Autocad, coral draw and other Internet Applications. OTHER DETAILS Date of Birth: 18th June 1979
