

TANYA SRIVASTAVA

CAREER OBJECTIVE:

To secure a challenging position in a reputable organization to expand my learning, knowledge and skills.

WORK EXPERIENCE

US IT RECRUITER- EXPERIS IT PVT LTD – MANPOWER GROUP

JAN 2022 – APRIL 2023

- Screening candidates for availability, interest level, and job match through Motivation, Other opportunities, Availability, Technology, and Salary.
- My responsibilities include identifying suitable candidates for direct placements and contract-based positions depending on client needs.
- Network and maintain relationships with key candidates and candidate communities (local and non-local) to enable short immediate hiring and long-term opportunistic hiring.
- Exceptionally negotiated salaries, relocation costs, margin, and billing rates to maximize profit
- Performed exceptionally in the process of interviewing and screening the consultants over the phone.
- Preparing the candidates for the client Interviews as per the requirement of the client.
- Getting involved in the Paperwork along with the Accounts Manager, so that the process is completed smoothly and there is no miscommunication among the Accounts Manager and the consultant.

ACTIVITIES :

- I was handling calls and sourcing resumes for client and report to the team lead.
- Call and made a deal with consultant for the position and took submission details.
- Day to day report to manager and team lead.
- Played a major role in convincing the candidates for contractual position.
- Working experience of effectively using online resume banks like Dice.com and Career Builder.
- Familiar with Different US Tax Terms (C2C, W2, 1099).
- Familiar with US Visa status GC, USC.
- Familiar with different US time zones (PST, MST, CST, and EST).
- Experience on Bullhorn (ATS).

PROFESSIONAL SUMMARY :

- Experience in U.S. IT Recruitment.
- Responsible for Recruitment Strategy & responsible for day-to-day operations for the defined recruitment functional areas.
- Maintained a strong data base of high calibre candidates.
- Worked closely with account managers to understand the requirement completely, full cycle recruiting.
- Conduct telephonic interviews with selected candidates so as to identify the best match for the position and at the same time making them understand the requirement and culture of the client/company
