

Venkatayya G

Email Id: venkatayyag@gmail.com

Phone No: +91 9036906355

PROFESSIONAL SUMMARY:

- Having 3.5 years of experience in project development, unit testing, maintenance, and **ETL Testing**.
- Good experience in all stages of **Software Development Life Cycle (SDLC)** and **Software Testing Life Cycle (STLC)**.
- Extensively used **ETL methodology** for **testing** and **supporting** data extraction, **transformations** and loading process, in a corporate-wide-ETL Solution using Informatica Power Center.
- Experience in **testing and reviewing of dimensional modeling (Star and Snow flake) of data warehouse**.
- Experience with Creating test plan, test cases and executed test cases and reported defects using in **HP QC/ALM**.
- Good knowledge and hands on experience in **Incident management**, user communication, **release management**, **crisis management**
- Experience in integration of various data sources with Multiple Relational Databases like **Oracle, SQL Server, MS Excel, MS Access, and Flat Files**.
- Sound Knowledge and experience in **Metadata** and **Star schema/Snowflake schema**. Analyzed Source Systems, Staging area, **Fact and Dimension** tables in Target D/W.
- Experience in **preparing Test Strategy**, developing Test Plan, Detailed **Test Cases**, writing **Test Scripts** by decomposing Business Requirements, and developing Test Scenarios to support quality deliverables.
- Experience in using Test Director and **HP Quality Center** for Bug Tracking and **Defect Reporting**.
- Expertise in querying and testing **RDBMS** such as **Oracle, MS SQL Server** using SQL for data integrity.
- Experience in **Windows** variants.
- Clear understanding of **business procedures** and ability to work as an individual and as a part of a team.
- Knowledge in **agile methodologies and activities**.

TECHNICAL SKILLS:

ETL Tools	Informatica
Languages	SQL, Python, R language
DB Tools	SQL, SQL Developer
Databases	Oracle, SQL SERVER, My SQL
Operating Systems	Windows 98/00/08/10

EDUCATION SUMMARY:

- B.E, Electronics & Communication in 2013 from RYMEC College Bellary, Karnataka
- MTech, VLSI and Embedded systems in 2016 from BITM College Bellary, Karnataka

PROFESSIONAL EXPERIENCE:

- Worked at Raylog Industries from 2019 March – 2021 May.
- Worked at Avanze Technologies from 2021 May – 2022 July.

PROJECT EXPERIENCE:

Client: HSBC Mortgage Insurance (May 2020- Apr-2021)

Role: Quality Analyst

Responsibilities:

- Performed **End-to-End testing** for the entire **ETL and Business Intelligence**.
- Developed Test Plans based on Test Strategies and Developed scripts utilities simulators data sets and other programmatic test tools as required to execute Test Plans.
- **Developed a testing strategy** for all upcoming data feeds for ETL.
- Prepared **traceability** matrix for point's requirements from the completed test cases.
- Involved with **extraction** routines to verify all the required data loaded into target systems.
- **Processed reject records** for business rules for both **dimensions** and **facts**
- **Created detailed test plans** based on analysis of **requirements and design documents**
- Clearly communicated and documented **test results** and defect resolution during all phases of testing.
- Focused on **Data Quality issues** / problems that include completeness conformity consistency accuracy duplicates and integrity.

Software Used: Informatica Power Center, Business Objects, SQL, HP ALM Quality Center, Service Now, Oracle, SQL, Windows.

Client: Liquid Analytics (June 2021 – July 2022)

Role: SQL Developer

Responsibilities:

- Writing SQL queries according to client requirement.
- Involved in Creation of **Sequences** for auto generate of account numbers and related procedures.
- Developed stored procedures and functions to implement the business rules.
- Created packages according to the business application requirement for performance.
- Responsible for writing **SQL queries** and used different joins.
- Having experience in SQL * LOADER to import the data.
- It is **healthcare project** to maintaining the data bases.

Software Used: Informatica Power Center, SQL, Windows.

Client: Lloyds Banking Group (LBG) (April 2019 – May 2020)

Role: Associate

Responsibilities:

- Responsible for testing and reviewing of **ETL mapping** and **transformation** specifications based on the business requirements from various teams and the business teams.

- Testing of **ETL** jobs that are **scheduled** for file transfers from Operational Data Stores to designated file systems/directories.
- Tested various **Reusable ETL Transformations** which facilitate Daily, Weekly & Monthly Loading of Data.
- Tested the performance bottle necks at **sources, targets, mappings, and sessions** and employed required measures.
- Tested **Triggers** which were **enforcing Integrity constraints**, stored procedures for complex business logic complementing the **Informatica sessions**.
- Reviewed the Business Requirement Document to understand the process and **write Test Plan and Test Cases**.
- Formulate methods to **perform Positive and Negative testing against requirements**.
- Conducted **Smoke testing, Functional testing, Regression testing, Integration testing, User Acceptance Testing (UAT) and Data validation testing**.
- Developed automated Test scripts using QTP to perform **Functional and Regression testing**.
- Executed and managed test cases and reported bugs in Quality Center.
- Performed Verification, Validation, and Transformations on the Input data (**Text files, XML files**) before loading into target database.

Software Used: Informatica Power Center, QC, XML, HTML, HP QTP, Microsoft Test Manager, SQL Server, Oracle, Windows.

Personal Details

Permanent Address : C/o G. Lakshmi Narasayya Bangle store, Opp sai maya mall, Kamma Street, Bellary

Date of Birth : 09.08.1991

Nationality : Indian

Declaration

I, hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above mentioned particular.

Date: 04/01/2024

Place: Bellary

Yours Sincerely,

G. Venkatayya
