Skoruz Technologies (IT Services Company)

Jul 2016 – Jun 2018

Senior Human Resources Manager

- ✓ Set up the HR function at Skoruz technologies right from the very scratch and helped grow the company from 90 to 200 in a short span.
- ✓ Managed both day & night HR operations 3 centers in India.
- ✓ Set up HR processes with respect to On boarding, Off boarding Employee engagement, Performance Appraisals etc. Streamlined processes in HR, recruiting, Employee relations management & engagement.
- ✓ Introduced HR payroll software called GreyTip to automate the payroll and attendance process.
- ✓ Introduced an ATS called TalentNow to bring in accountability for performance by the staffing team.
- ✓ Influenced the founders to relocate to a new office with better aesthetics which helped us look more attractive to the job seekers. Managed the entire project of identifying the new office and ensure smooth transition to the new office location.

- ✓ Won a sexual harassment case initiated against us.
- ✓ Introduced employee benefits - Sodexo/Gratuity/Minimum PF
- ✓ Assisted management in cost cutting in various ways, layoffs and letting out extra workspace.
- ✓ Created an Employee handbook after writing policy documents & standardized the HR templates.
- ✓ Coached managers and employees with challenges in people management, performance & retention.
- ✓ Grew the HR team to 5 with each person accountable for Administration, Business HR, Employee engagement, Onboarding & Offboarding, New initiatives (Like ISO, Employer branding).
- ✓ Moved to a KRA based Annual Performance Appraisal System from an anniversary-based model.
- ✓ Participated in Statutory Audits at the client locations and ensured compliance. Got the Statutory documents in place – like the ESI certificate, PF certificate.
- ✓ Managed the facilities plus VISA & Travel management. Worked with external vendors to get the VISAs within very tight timelines for our senior team travelling to USA/Malaysia/Singapore/UAE/Dubai.
- ✓ Effectively used Freshdesk - An online ticketing system to track employee grievances and quick closure. Maintained a 24-hour turnaround time.
- ✓ Hired a team to influence our social media presence and better our employer brand in the market and be known for our offering and culture.
- ✓ Revived our reviews on Glassdoor.
- ✓ Designed & implemented Rewards & recognition program, managed fun at work events for different occasions and festivals.
- ✎ **Strategic HR:** Worked closely with the leadership team in US. Guided the executive team on local trends/policies, while ensuring flawless execution of all day-to-day employee transactions. Responsible for senior level decision making and both day to day management and strategic direction of the organization. Ensure HR plans support the needs of the business but are also flexible enough to cope with changes in the organization, as and when they occur
- ✎ **HR policies/processes:** As an HR Leader, I have played a key role in reviving and building the India operations from scratch in a start up like environment. Headed a 5-member team in HR & Administration to run the HR operations. Set up the HR processes and rolled out the Employee Handbook for India. Created process documents and Checklists for all HR processes, conducted regular HR audit and addressed non-compliance. Put in place privacy and data protection procedures in line with client's global policies
- ✎ **Employee life cycle:** Managed the employee life cycle entirely with strong focus on customers. Managed the employee life cycle for about 20 clients as our technical resources were deployed across their locations.
- ✎ **Talent Acquisition:** Played a leadership role and have strong experience in handling end to end recruitment. Managed the full life cycle of talent acquisition for the team. Strategized and implement the recruitment initiatives. Responsible for hiring across all levels (including senior and middle level leadership hiring). Facilitated continuous process improvements in recruitment. Automated/ updated all the process related to Talent Acquisition. Generated weekly, monthly MIS Reports and reviewed open mandates with Management locally & globally.
- ✎ **Employee relations & engagement:** Evolved the Employee Relations strategy and oversee effective implementation of the same at project sites to ascertain minimal disputes.
- ✎ **Performance Appraisals:** Managed the entire gamut of Performance management - annual performance review, merit increases, confirmation hikes, and promotions. Provided coaching to managers. Conducted a salary benchmarking study to evaluate our offerings. Ensure alignment of compensation with the market
- ✎ **Budgeting:** Drive HR-related cost savings and manage HR budgets as set by executive management and work in conjunction with the Head of Finance.
- ✎ **Audits:** Worked with the legal advisors to get the MSAs for the business vetted. Participated in statutory audits at the locations of the clients.
- ✎ **Legal responsibilities:** Management and advisory around the legalities of statutory laws and the employment process such as administration of offer letters, employment contracts, establishment of POSH committee and maintaining employee records and Master Services Agreements (MSAs). Compliance pertaining to Labor and Administration across all locations. Won legal cases that were wrongly filed against the organization.
- ✎ **Payroll:** Coordinate with Head-Finance & IT on all payroll related statutory matters and ensure adherence to the prescribed statutory norms. Deal with the concerned statutory authorities on non-routine matters and ensure timely resolution of the same.
- ✎ **Conflict management:** Employee Coaching – I have coached leaders and employees on critical issues. Facilitate Employee Development activities like Mentoring, Coaching, Training.
- ✎ **Maintaining work culture:** Focused on building a strong culture and a predictable support function
- ✎ **Administration/Operations:** Project management - Shifting of Head Office to new premises (Vendor and site identification, project plan regarding Interiors, Budgeting, Milestone tracking and completion of

project). Responsible for entire HR and General Administration activities for all the Indian offices in Bangalore, Chennai & Hyderabad.

- ✍ **Systems implementation:** Implementation of contemporary HRIS (Payroll as well), ATS and their application, and coaching and counseling methodologies. Special projects pertaining to design, conceptualizing and roll out HR systems and processes from scratch.
