

Objective

To work in a place where I can keep learning and improving my skills and use those skills for the benefits of organization and myself

Education

- Maharani Cluster University - Bangalore
Bsc Computer Science 2022

Additional information

- Architecting and configuring secure cloud VPC using private and public networks through subnets in AWS.
- Security group, network ACLs, internet gateways, NAT, and elastic IP's to ensure a safe area for organization in the AWS public cloud.
- Using IAM, creating user accounts, roles, setting permission and enabling the MFA for security
- Hands on knowledge of design and implement AWS load balancer for complex web application, leveraging path based routing to distribute traffic based on URL
- Creating alarms in cloudwatch service for monitoring the server's performances, CPU utilisation for better performance
- AWS back and recovery.
- VPC peering.
- S3 bucket, hosting the static website and redirecting the traffic from the cloud front so that bucket is secure

Skills

CI/CD and management 100%

tools:

Jenkins, terraform,

Ansible

Shell scripting: Python 100%

Container and Orchestration : 100%

Docker and kubernetes

Cloud : AWS - VPC, EC2, IAM, 100%

cloudwatch, cloudtrail, RDS, R53, ELB, EKS, S3, Lambda.

Operating system: windows 100% and Linux

- creating the load balancer and distribute the load among the target groups
- Design and maintain a high availability system using auto scaling.
- Good hands on knowledge of source code management (version control system) tool like git
- Knowledge on automated infrastructure provisioning and configurations using tools like terraform and ansible.
- Hands on developing continuous integration/Delevery pipeline
- Hands on knowledge of software containerisation platforms like Docker and Container orchestration tool like kubernetes

Certification

- Micro Degree Certified AWS Solutions Architect 2024
- Micro Degree Certified DevOps engineer 2024

Internship

- AWS and Devops
3 months of AWS devops intership program at Microdegree
