### EDUCATION

#### Bachelor's Degree

Computer Science and Engineering  
CGPA: 7.4

### SKILLS

- Languages:** Python, SQL, R, Java
- Technologies:** Excel, Power BI, Tableau, AI&ML, Statistics
- Tools:** GIT HUB, JIRA, Jupyter, ChatGPT
- Other Skills:** Data Visualizations, Dashboard creation, ETL Testing, DAX, VBA, Agile Methodology.
- Soft Skills:** Time Management, Communication Skills

### LANGUAGES

- English (Fluent)
- Hindi (conversational)
- Telugu (Fluent)

### WORK EXPERIENCE

#### DATA ANALYST

AiVariant - Intern

OCT 2024 - PRESENT

- Designed and implemented ETL processes, reducing data processing time by 40% and enabling more focus on analysis and decision-making.
- Created interactive dashboards in Power BI, Excel, and Tableau, automating reports and improving reporting efficiency by 50%, while providing real-time insights for the team.
- Developed DAX tables and applied statistical analysis with R programming, enhancing dynamic data analysis, forecasting accuracy, and operational efficiency by 15%.
- Utilized Python scripts for data visualization, uncovering patterns that improved decision-making for product, marketing, and sales strategies, boosting sales performance by 10%.

#### ASSOCIATE DATA ENGINEERING

Sliverlabs Indian Private Limited - Full Time

JUL 2023 - APR 2024

- Enhanced the AI-driven platform 'Rizzle' by developing strategic action plans, improving product efficiency to 95%.
- Specialized as an Automation Tester, creating test suites for data analysis websites and APIs, and utilizing tools like GraphQL, MySQL, GitHub, and Amazon CloudWatch for optimal testing and development.

### PROJECTS

#### Adventure Works Executive Summary - Power BI Report - [LINK](#)

Microsoft

- Created an interactive Power BI dashboard for Adventure Works, focusing on sales performance, customer trends, and product categories, with key visualizations, KPIs, and forecasting features to support data-driven decisions.
- Consolidated data into a single dashboard, reducing analysis time by 40% and improving decision-making, resulting in a 15% increase in sales revenue through better forecasting and strategic planning.

#### Accenture North America Data Analytics and Visualization Job Simulation on Forage - [LINK](#)

Accenture

- Cleaned, modeled, and analyzed 7 datasets to uncover content trends and inform strategic decisions for a hypothetical social media client at Accenture.
- Created a PowerPoint deck and video presentation to communicate key insights to the client and internal stakeholders effectively.

### CERTIFICATION

- IBM** - [Course completion certification in Data Analytics](#)
- ACCENTURE** - [Data Analytics visualization and Job simulation](#)
- ORACLE Database** - [PL/SQL Developer Certified Professional Licensed](#)
- ORACLE Database** - [SQL Certified Associate Licensed](#)
- HACKER RANK** - [Certified in Problem Solving & Python](#)
