SUMMARY

I am an experienced RPA Engineer with over 3.6 years of expertise in automating business processes using RPA tools like UiPath. I have a solid background in developing Bots, managing workloads, and providing solutions that enhance operational efficiency. My skill set includes infrastructure management, system integration with AWS, and excellent troubleshooting abilities. I am passionate about driving innovation in team environments.

EXPERIENCE

RPA Associate

Cognizant Technology Solutions

06/2021 till date Pune, Maharashtra

- Cognizant Technology Solutions is a multinational corporation that provides IT services, including digital, technology, consulting, and operations services.
