Description:

- The Mahatma Gandhi National Rural Employment Guarantee Program (**MGNREGP**) is a flagship social welfare program initiated by the Government of India. It aims to enhance the livelihood security of rural households by providing at least 100 days of guaranteed wage employment in a financial year to every household whose adult members volunteer to do unskilled manual work.
- Key features of MGNREGP include:
 - Employment Guarantee: Every rural household is entitled to 100 days of wage employment in a financial year.
 - Focus on Rural Development: The program focuses on creating durable assets such as water conservation infrastructure, rural roads, and irrigation canals.
 - Women Empowerment: MGNREGP mandates that at least one-third of the beneficiaries must be women, ensuring their active participation in the workforce.
 - Decentralized Planning: Gram Panchayats play a crucial role in planning, implementing, and monitoring MGNREGP projects, ensuring local needs are addressed effectively.
 - Transparency and Accountability: The program emphasizes transparency through measures like social audits and the use of information and communication technology (ICT) for wage payments.
- Key Plans:
 - Employment Generation Plan: This plan outlines the proposed works to be undertaken under MGNREGP in the Kannambra Panchayath, focusing on projects that generate maximum employment opportunities while addressing local development needs.
 - Asset Creation Plan: It delineates the specific assets to be created, such as construction of rural roads, water conservation structures, and community infrastructure, ensuring sustainability and long-term benefits for the rural community.
 - Budget Allocation Plan: This plan details the allocation of funds for various MGNREGP projects in Kannambra Panchayath, ensuring optimal utilization of resources and effective implementation of the program.
