

PROFESSIONAL SUMMARY

- Aws cloud engineer having over 1.8 years of experience in Amazon Web Services (AWS) and other public cloud platforms. Passionate about automation, DevOps, system administration, and using cloud technologies to increase company's agility and efficiency.

PROFESSIONAL EXPERIENCE

AWS Cloud Engineer, BSOL Systems Pvt Ltd, BENGALURU

Dec 2021 – July 2023

PROJECT DETAILS:

PROJECT 1: INSW (International Seaways)

Tools Used: QUALYS, TAEGIS XDR, Nmap and Burp suite.

Role and Responsibility: Cyber Security Threat and vulnerability Analyst

Description of the project

- Configured production server applications with Qualys and XDR cloud-Based agents.
- Monitored servers and application for any malicious and threat activity using XDR-agent.
- Automated and audited Vulnerability reports for servers and endpoints using Qualys.
- Performed penetration testing and security audit on networks for network exploration.
- Performed penetration testing and vulnerability scanning on web applications using Burp suite.
- Scanned production and staging servers using Qualys cloud agents and IP based for vulnerabilities.

PROJECT 2: IRI (International Registries Inc) and FTA (File Transfer Application)

Description of the project

- Created audit reports and billing for multiple aws accounts.
- Created manual and automated backups, AMI and snapshots.
- Performed infrastructure monitoring and logging for applications.
- Configured Load Balancer and autoscaling for applications with high availability and scalable.
- Monitored applications and configured auto start and stop for instance using Lambda.

PROJECT 3: BSOL staging project (Disaster recovery and Cloud Migration)

Description of the project

- Planned and executed migration of an on-premises microservice application to aws cloud.
- Configured the application and setup on aws cloud for smooth migration.
- Designed infrastructure for migration on cloud architecture
- Setup migration and disaster recovery using cloud endure with high availability and scalable.

PROJECT 4: BSOL Staging Project (CI/CD using ECS and ECR)

Description of the project

- Setup fully automated continuous deployment pipeline for application.
- Automated the build, test and deployment process using github service.

- Ensured the application is deployed to production with minimal manual intervention.
- Configured CICD process from github to Aws cloud using ECS and ECR with minimal IAM privileges.

KEY SKILLS

- Worked as cloud admin, supervised and hands on experience all aws resources like EC2, S3, ELB, AUTO SCALING GROUPS (ASG), VPC, EBS, RDS, IAM, SNS, EFS, CLOUD TRAIL, LAMBDA, BACKUP & RESTORE, SSM, CLOUD WATCH, EVENT BRIDGE, ECS (ELASTIC CONTAINER SERVICE) FARGATE, COGNITO, DYNAMO DB, RDS, ACM
- Created and configured ELASTIC LOAD BALANCERS and AUTO SCALING GROUPS to distribute the traffic and to have a cost efficient, fault tolerant and highly available environment.
- Experience in AWS COMPUTE and Storage services with encryption (EC2, AMI & snapshots, Security groups, Auto scaling, LOAD BALANCING, S3, AWS Backup, S3 Glacier, KMS).

AREAS OF EXPERTISE

- | | |
|-----------------------------|--------------------------|
| ✓ AWS (AMAZON WEB SERVICES) | ✓ AZURE |
| ✓ Cybersecurity | ✓ NETWORKING |
| ✓ Cloud Endure | ✓ DISASTER RECOVERY (DR) |

TECHNICAL PROFICIENCIES

- | | |
|----------------------------------|---------------------------------------|
| • Git, GitHub AND Gitlab | • Vulnerability Analysis and research |
| • DOCKER AND DOCKER SWARM | • YAML, Python and Terraform |
| • LINUX / WINDOWS ADMINISTRATION | • NMAP and BURP SUITE |
| • Qualys, XDR and CrowdStrike | • Kubernetes, Jenkins, Maven |

CERTIFICATION

- [AWS Certified Cloud Practitioner](#)

Awards AND ACHIEVEMENTS

- Received twice star of month for best performance.

EDUCATION

C. Abdul Hakeem college of Engineering and Technologies 2019
B.E, ECE (ELECTRONIC AND COMMUNICATIONS OF ENGINEERING)
• Received Best Contributor Award.

PERSONAL DETAILS

Name: - MOHAMMAD SHAHRUKH
GENDER: - MALE
DATE OF BIRTH: - 26-06-1998
LANGUAGES KNOWN: - ENGLISH, TELUGU, HINDI
Address: - Puttur, Chittoor, Andhra Pradesh. India.
