PROFESSIONAL SUMMARY

Seasoned Software Developer with over 2.5+ years of hands-on experience in crafting robust solutions using JavaScript, TypeScript, Node.js, Express, MongoDB and SQL. Passionate about creating cutting-edge applications that streamline processes and elevate user experiences. Known for a keen eye for detail and a strong problem-solving mindset, I have successfully delivered numerous projects, ranging from dynamic web applications. Proficient in Agile and Scrum methodologies, ensuring efficient and timely project completion.
