Summary

One year of experience as a Data Analyst, skilled in transforming complex data into actionable insights. Focused on leveraging analytical and technical expertise to drive business success while continuously learning and growing. Strong team player with leadership capabilities, committed to contributing to organizational goals.

Professional Experience

MIS Trainee, Arteria Technologies Private Limited

04/2024 – 10/2024

- Generated Tailored Reports: Utilized advanced analytics tools like Power BI and Excel to create comprehensive MIS reports that aligned with organizational goals and informed decision-making processes
- Data Analysis and Insight Generation: Analyzed complex datasets to uncover trends and actionable insights, enabling data-driven decision-making and enhancing business performance.
- Data Transformation and Simplification: Transformed data into an accessible offline system, simplifying reporting for non-technical users.
- Dashboard Development: Designed interactive dashboards for real-time data visualization, supporting strategic decisions.
- Cross-functional collaboration: Partnered with various departments to collect accurate data requirements and delivered high-quality, detail-oriented reports under tight deadlines, supporting various business functions.

Tools Used: Excel, Power BI.

Data Analyst Intern, Ai Varient

05/2023 – 01/2024

Contributed to projects in sales, FMCG, and HR domains by providing data-driven insights and solutions.

- Collected and cleaned datasets, ensuring accuracy and consistency for analysis.
- Conducted exploratory data analysis (EDA) to identify key trends and insights.
- Utilized Power Query and SQL to transform data, create new columns, and prepare datasets for visualization.
- Designed and presented dashboards in Power BI and Tableau, offering actionable insights for stakeholders.
- Collaborated with team members to align analysis with business needs and deliver efficient reporting.

Tools Used: Excel, Power BI, SQL, Tableau

Associate Analyst, Infocepts

08/2022 – 12/2022

- Created and managed MicroStrategy reports, documents, and public objects to support business analytics and decision-making.
- Performed data cleaning to ensure the accuracy and integrity of data for reporting and analysis.
- Used SQL Server Management Studio (SSMS) for data modeling, optimizing data structures, and ensuring efficient querying for business insights.
- Designed and built data infrastructure to support various business initiatives, ensuring alignment with strategic goals.
- Analyzed data to uncover trends, providing actionable insights for business stakeholders.

Tools Used: MicroStrategy, SSMS, SQL, Data Modeling

Skills

Professional Skill

- **Microsoft Office Suite:** Proficient in Excel, Word, and PowerPoint.
- **Project Management:** Planning, coordination, and project delivery.
- **ETL (Extract, Transform, Load):** Data integration and transformation.
- **Data Analysis:** Applying statistical techniques for insights.
- **Data Visualization:** Turning data into actionable visual insights using PowerBi and Tableau.
- **Critical Thinking:** Analytical and strategic problem-solving.
- **Communication:** Clear verbal and written communication.
- **Problem Solving:** Innovative, solution-oriented approach.

Technical Skills

- **Microsoft Excel:** Advanced data manipulation and analysis.
- **MySQL:** Database management and SQL query execution.
- **Power BI:** Interactive dashboards and dynamic report creation.
- **Tableau:** Data visualization and dashboard design.

Courses

Data Analyst, Excelr Solution	2023
Data Analytics and visualization virtual experience, Forage	2023
Google Data Analyst, Coursera	2022
Business Analysis & Process Management, Coursera	2024

Education

Bachelors of Engineering, Cummins College Of Engineering for Women 75%	2018 – 2022 Nagpur
HSC, Maharashtra State Board 66.05%	2017 – 2018 Nagpur
SSC, Maharashtra State Board 85.60%	2015 – 2016 Nagpur

Extracurricular Activities

- Completed Bootcamp of Canva from Girlsxtech.
- Worked as coordinator of Technical Creativity in Anannya-2020. I was one of the directors of Rotaract Club Nagpur.
- I attended the World Book of Records of United Kingdom Digital Conference which was held by 3G Institute of Research and Policy Centre, HQ of IIT Madras Research Park.
- Attended various webinars on Opportunities after lockdown, Data Structure, and Virtual Labs.

Interests

- Dancing
- Listening Music
