PROFESSIONAL EXPERIENCE

WIPRO TECHNOLOGIES LIMITED

PUNE

Front end developer

2022-PRESENT

As a dedicated Front-End Developer with 3 years of total experience in developing user-friendly, responsive, and high-performance web applications. Proficient in HTML5, CSS3, JavaScript, and modern front-end frameworks such as React.js and Angular. Adept at translating UI/UX wireframes into pixel-perfect designs, optimizing web performance, and ensuring cross-browser compatibility.

Key Contributions:

- Collaborated with designers to transform mockups and wireframes into visually appealing, functional web applications.
- Worked closely with back-end developers to integrate front-end designs with APIs and databases for smooth data interaction.
- Optimized website performance by minimizing load times, improving site speed, and enhancing efficiency.
- Translated wireframes and visual designs into clean, efficient, and scalable code, ensuring responsive layouts across all devices.

FREELANCING EXPERIENCE

PUNE

Web developer

2021-2022

Experienced Freelance Web Developer specializing in designing and developing responsive, high-performance websites. Adept at collaborating with clients to create user-friendly interfaces that enhance engagement and functionality.

Key Contributions:

- Developed a dynamic web application for a creative studio using React.js, ensuring high performance and responsiveness.
- Collaborated with the client to design a user-friendly interface, enhancing user engagement and overall site functionality.
- Implemented best practices in code quality and project management, leading to a successful and timely project delivery.

EDUCATION

RTMNU University

NAGPUR

Bachelor of computer Engineering

2017-2020
