## EXPERIENCE

### RIZZLE | Backend Engineer | July, 2024 - Current

- **Core Logic:** Managing data flow through API gateways, processing and storing it in databases, and collaborating with creation and ML teams to deliver comprehensive responses.
- **Tech Stack:** Node.js, MongoDB, Docker, Kafka, GraphQL

### MICROSOFT | SWE | May, 2022 - June, 2024

- **Windows Settings:** Developed a 'Last App Used' feature in Windows Settings tailored for the Chinese market. This feature reduced user access issues by 25%, significantly enhancing user satisfaction and system usability.
- **Tech Stack:** C++, XAML
- **Telemetry:** Managed and optimized telemetry logs and metrics using the Jarvis dashboard. Utilized advanced data analysis techniques to improve data accuracy and system efficiency. **Tech Stack:** Jarvis Dashboard, KQL
- **EUIDB:** Updated 20+ Troubleshooting Guides (TSGs) to comply with EUIDB standards, resulting in a 30% increase in user adherence and improved compliance and user experience. **Tech Stack:** KQL

### PLUANG | SDE Intern | January, 2022 - May, 2022

- **Mutual Funds:** Played a pivotal role in the Mutual Fund Squad at Pluang, contributing significantly to the development and maintenance of a robust platform tailored for seamless mutual fund purchases.
- **Testing:** Achieved 90%+ test coverage through comprehensive unit and integration tests.
- **Tech Stack:** Java, SpringBoot, PostgreSQL, GitHub, JUnit, Mockito.

## ACHIEVEMENTS

### ACM ICPC | TeamName : r990r00s8802

- 2020 Amritapuri Preliminary Round Country Rank : 82

### GOOGLE HASHCODE | TeamName : !Serious

- 2021 Online Round Global Rank : 291 Country Rank : 39

### GOOGLE KICKSTART | Nickname : ssid8802

- 2021 Round A Global Rank : 147 Country Rank : 45

### GOOGLE CODEJAM | Nickname : ssid8802

- 2021 Round 1A Country Rank : 132

### CODEFORCES | Highest Rating : 2025 (Candidate Master)

- Round 696(Div 2) Global Rank : 30 Country Rank : 6

### CODECHEF | Highest Rating : 2075 (5 - Star) | Advanced Certified

- COOK126B Global Rank : 19 Country Rank : 11

### LEETCODE | Highest Rating : 2450 (Guardian Badge)

- Biweekly Contest 131 Global Rank : 38 Country Rank : 10

## PROJECTS

### TODO LIST (MERN STACK) | See Project

- Enacted CRUD Functionality with a user-friendly interface, ensuring seamless task management and real-time updates

### UNBEATABLE TIC TAC TOE (C++) | See Project

- Developed a robust Tic-Tac-Toe game in C++, implementing an unbeatable AI opponent strategy, resulting in a 0% loss rate for the AI opponent.
- Implemented Min - Max Algorithm to find the best move for the computer.

## SKILLS

### Languages:

- C • C++ • Python • Java • Spring-Boot • Node • Express • HTML • CSS • JavaScript • React • MySQL • MongoDB

### Libraries:

- Numpy • Pandas • Matplotlib • Pygame

## COURSEWORK

### UnderGraduate

- Data Structures
- Object Oriented Programming
- Operating System
- Database Management System
- System Design

### Additional

- Competitive Programming
- Data Structures and Algorithm in C++
- Machine Learning Basic

## EDUCATION

### DELHI TECHNOLOGICAL UNIVERSITY (FORMERLY DCE)

BTECH IN SOFTWARE ENGG.  
2018 - 2022 | New Delhi, India  
CGPA : 8.62

### MOUNT OLIVET SR. SEC. SCHOOL

2010 - 2017 | New Delhi, India  
XII Percentage : 87  
X GPA : 8.6

## EXTRAS

- Scored A+ Grade in OS, DS and OOP
- Hosted a Chess Tournament, sponsored by Chess.com.
