Current Organization: TeamK Tecnology Solutions Pvt. Ltd: Business Head,
Position: Business Head, India, Cyber Security, from 2nd Jan 2024 till 20th Dec 2024. Role: Handling the open XDR & MDR Business of TeamK pan India Basis. Developing new customers and partners in India is the key role. Managing the sales team and project team, Mentoring the sales team, Achieving the sales revenue through sales team, Revenue Generation, understanding customer requirements, conducting demos, POCs and webinars and other promotional activities are the primary areas to focus.

Building relationships with the partners and onboarding, training the partners sales persons, generating new business through them, new business planning,

preparing new business models, business forecasting, sharing thought process with management, creating the solution packages for business growth are some of the key functionalities I have to work on.

Previous Organization: Netpoleon India Pvt. Ltd – Techknowlogic Consultants India Pvt. Ltd, Role: Sr. Channel Account Manager, from April 2022 to till Nov 2023.

Responsibility: Driving the cyber security business in the terms of SOC – SIEM & SOAR Solutions(LogRythm), Security Policy Management, PIM PAM solutions(Beyond Trust), NMS, Help Desk and Asset Management (Everest), PHISHING Solutions(Cofense), Application Load Balancer, WAF, SSLI (A10), MFA, SSO solutions (Thales) EPP, EDR, MDM solutions (BlackBerry), IP Management and DNS Security (Infoblox), Surface Attack Protection and Path Management Solutions – Continuous Threat Exposure Management Platform (XM Cyber), VAPT Analysis (Orchestra), Breach, Simulation & Attack Solutions (Recorded Future), NDR Solution (Vectra), Mail Security (Proof Point), Identity Governance Solution (SailPoint), Remote Browser Isolation, Mail Isolation, CASB, DLP, SWG Solutions (Menlo Security), SASE Solutions (Axis Security) etc. Business achievements are to 70% channel driven, 30% customer driven. Taking care of entire west zone business responsibility for XM Cyber & Menlo Security along with North & West for Firemon. OEM Engagement and coordination is one of the major role over here. Conducting webinars for PAN India basis and Events for Partners and Customers are the part of my responsibility. Conducting partner & customer round table meetings along with partner development, onboarding, account planning, certification are some of the key responsibilities in this role.

Companies where I sold cloud are Techigent Technologies, Alethe Consulting, HCL Services, Team Computers, Schneider Electric etc.

Worked as a freelancer for Aspiretek ERP Software from December 2018 to November 2019. Conducted demos, pitched to lots of channel partners and also to the construction and real estate project customers. It is an integrated ERP Software from Aspiretek called OMNI (online management of network information) having all the modules like CRM, Project Management, Finance, HRM, Analytics & Dashboard, Set Up, Material Management, Supply Chain Management etc.

I am having Strong coordination with OEMs like IBM, Oracle, Microsoft, AWS, Cisco, VMware, Canon, Brother, Ricoh, Kyocera, Epson, Siemens, HP, Dell, Lenovo, Huawei,

Nutanix, Hitachi, Avaya, Unify, Polycom, Samsung, Panasonic, Mindsteck, Veeam, Commvault, Veritas, Dhruva, Checkpoint, Fortinet, Sofos, SonicWALL, Juniper, Riverbed, Palo Alto, Acceridian, eScan, TrendMicro, Kaspersky, MacFee, HCL Maestro, Kaseya, E-Qliq, DMS Software, Autodesk, Apple, APC, APW, Tata Tele services, Norden Communication, Molex, Cyber Security Companies like Infoblox, Everest, Firemon, XM Cyber, Recorded Future, Data Resolve, Beyond Trust, Thales, Sail Point, LogRhythm, Black Berry, eMudra, Cofense, A10, Orchestra, Nozomi etc.

Also good coordination with National Distributors like Redington, Ingram Micro, Tech Data, Rashi Peripherals and their team.
