- Preparing the plan of action to close the assigned requirement by conducting a Weekend drive.
- Scheduled Interview within SLA/TAT of Requirements
- Validating the profiles submitted by team members.
- Sharing the profiles with the Project team once it has been scrutinized.
- Responsible for Sourcing profiles from job portals like Naukri, a monster from Internal references and social media hiring - (LinkedIn, Facebook, and WhatsApp Groups)
- Once the shortlisting comes from the Project team, line up the resources for the interview either via telephone or F2F or Skype.
- Recruiting and hiring candidates in state and out of state concerning their relocation choices for all IT positions in multiple client environments
- Responsible for the Pre releasing offer process such as, Salary negotiations, earlier joining and follow-up with the candidates until on-boarded along with initiating the pre-joining BGV.
- Updating the tracker every day to Candidate's Current status.
- Providing the Engagement Manager with status reports and keeping them apprised of the overall project status.

Sr. HR | September 2014 till March 2019 | Yethi Consulting Pvt Ltd, Bengaluru

Yethi Consulting is a start-up product-based company that provides quality assurance services to banks and other financial institutions in India, Southeast Asia, and the Middle East. I solely manage the entire HR functions for Yethi Consulting with a head count of 350+ employees at present.

Recruitment is an art, and it is about hiring the right person at the right time and the right place.

As Sr. TA Lead Recruiter at Yethi responsible for doing End to End Recruitment, I handle close to 5 accounts and over 90 positions. I manage the social hiring for senior leadership positions and Niche hiring.

Here are my roles and Responsibilities.

- Staffing process excellence: Plan and successfully execute a recruiting, selection and hiring process that results in top talent for the organization.
- Average Staffing time: 20 – 25 days for Niche and 15 – 20 days for Generic skills.
- Candidate evaluation: Evaluate, select, and hire top talent by systematically and objectively comparing a candidate's qualifications to identified business needs, Job specifications and competencies required for successful job performance.

- Sourcing profiles as per the requirements of the business units from various sourcing pockets.
- Focus: Reduction of the cost per hire by direct sourcing and through the help of sourcing specialists.
- Vendor Management: Managing Vendors & sourcing team to ensure there is enough talent pool in process for resource fulfilment at any given stage. Usage of vendor highly restricted to super Niche Skills.
- Managing the sourcing team to get the right profiles and mentoring them on recruitment strategies.
- Screening the candidates, interacting with the candidates to ensure the interest and suitability of the candidate for the requirement and coordinating technical interviews with the candidates and Panels.
- Scheduling, coordinating, and handling interviews/ events including calling/sending emails to the candidates as per the interview calendar.
- Account Management: Interact with the Delivery Leadership & Line of Business to understand exact requirements & simplify working on those requirements individually and close the requirements with minimal vendor support.
- Preparing Fitment & Processing the offers to the candidates on recruitment tool by collecting necessary documents & handing them with Necessary Approvals and thus releasing the offer.
- Candidate Engagement activities: Periodic follow-up with offered candidates to ensure candidates are on track, ensure there are fewer declines and maintain a healthy joiner ratio.
- Weekly call with Business Manager
- Daily Hiring Updates to Staffing Head & Line of Business.
- Maintaining, Analyzing of Data & Preparation of Hiring Update for

HR Executive |September 2009 to March 2010 | CMC Ltd (TCS-PSK Project), Bengaluru

HR Executive |May 2007 to December 2008 | Proclass Technologies Pvt Ltd, Hyderabad
