

Sivavamsi Poka, Data Scientist

Pamur, 523108, India, (+91) 7386101922, sivaharipoka@gmail.com

Date of birth

25/04/1996

PROFILE

Total 5 years 7 months + experience in Data Science & Engineering. Specialization (PGP) done in Data Science & Engineering.

EMPLOYMENT HISTORY

Jun 2022 — Present

Engineer, Advanced Analytics, DISH Network

Bangalore

Area - 5G Wireless IT Commercial Platforms - Data Science & Engineering

Job Role - Data Scientist

Industry - Fortune 200 Company. Telecommunication Industry

- Automatic defect triage - based on customer centricity ticket is assigning to right team for resolving. Code Optimization - Asynchronous & code cleaning in ML pipelines. Code migration to Dataiku DSS Platform. Technologies - Machine Learning, Natural Language Processing (NLP), Python & ML-flow & Dataiku.
- Geo spatial plugins development in Dataiku DSS. (Platform enhancements). Geo spatial coverage area, Geo-overlay, Geo-clusters. Code optimization - code cleaning & Threadpools. Technologies - Geo-Spatial, Dataiku DSS, AWS S3.
- Dynamic Pricing - Post paid data & voice usage (PoC's). Worked with large scale data. (800 Million records). Geo-spatial queries & API's. Technologies - Dataiku DSS, Python, PySpark & Data Analysis
- Usage roaming details - Identifying the customer pain points in 5G call data records. Dashboards in ELK stack (Kibana). Technologies - Dataiku DSS, Python, Elastic Search & Data Analysis

Jun 2019 — Jun 2022

Software Engineer, Analytics Innovation, Marlabs LLC

Bangalore

Area - Centre of Excellence (CoE) - AI/ML Practices

Job Role - Data Scientist

Industry - IT Services & IT Consulting Company. MNC

- mAdvisor A.I Platform Development (Product Development). Machine Learning pipeline code conversions from Python 2.7 to Python 3.6 & PySpark. Worked on feature selection and model building pipelines. Technologies - Python, Machine Learning
- Identifying the customer pain points in social media on targeting electronic products from specific organizations. (PoC's). Review visualizations, Sentiment Analysis, Sentence Classification & entity recognition. Technologies - Python, Natural Language Processing (NLP), Text Analytics.
- Stock Advisor - Stock recommendation based on news reviews & time series. (Product Development). Sentiment analysis & content categorization based on semantics. Bug-fixing the pipelines. Technologies - Python, Natural Language Processing (NLP), Text Analytics.
- Digitalizing the data from Pdf/Images using OCR tools to Json/CSV format. (PoC's). Manual Validation of results, Header footer extraction module. Technologies - Python, OCR (Optical character recognition), vision API's.
- Automating the process of manual look up for the drug history from the U.S Food & Drug Administration website (Internal Project). End to end project development. Technologies - Python, Web Scraping & Apache Data Bricks.
- Automating the process of chemicals/products and respective quantities extraction from email quotation and dumped into the SFDC. It helps to reduce the some sort of manual efforts in a SFDC. (Client Project). Manual Validation of results, Integration testing and Bug findings at UAT environment. Technologies - Python, Natural Language Processing (NLP), RHEL OS, Deep Learning & MySQL.

EDUCATION

May 2014 — May 2018	B.Tech, NBKR Institute of Science & Technology Specialization - Computer Science & Engineering (C.S.E) CGPA - 7.41/10.0	Nellore
Apr 2012 — Apr 2014	Intermediate, Narayana Junior college Specialization - Mathematics, Physics & Chemistry (M.P.C) Marks - 954/1000	Nellore
Apr 2011 — Apr 2012	10th, St. Marks High School Specialization - General Studies GPA - 8.8/10.0	Pamur

SKILLS	Python (Programming Language)	Experienced	Web Scraping	Experienced
	Dataiku DSS	Experienced	Deep Learning	Experienced
	Elasticsearch/Kibana (ELK Stack)	Experienced	AWS	Experienced
			Time Series	Skillful
	Machine Learning	Experienced		
	Natural Language Processing	Experienced		

CERTIFICATIONS

Nov 2018 — Jun 2019	Post Graduation Program in Data Science & Engineering https://olympus1.mygreatlearning.com/certificate/EWWADDRA	Bangalore
