Sai Spurthi Institute Of Technology, B.Tech in Electronics and Communications Engineering CGPA:7.18	2018 – 2022 khammam, india
Sri Chaitanya Junior, Intermediate(MPC) Percentage:88.6	2016 – 2018 khammam, india
Narayana Best Foundation School, SSC(10th) CGPA:7.7	2016 madhira, india

TECHNICAL SKILLS

- Node.js
- Express.js
- RESTful API development
- Middleware configuration
- Authentication and authorization mechanisms
- Asynchronous programming
- Database management (MySQL,SQL Server)
- Database optimization techniques
- HTML5
- CSS3
- JavaScript
- React.js
- Bootstrap
- Version control systems (e.g., Git,Gitlab)

Projects

CryptoBotsAI, Brugu Software Solutions

08/2023 – present

- Developed advanced solutions utilizing AI and data analysis to simplify research and enhance decision-making in cryptocurrency. Led backend development efforts, ensuring seamless API integration and actionable insights for users.

Dyorai, Brugu software Solutions

04/2023 – 11/2023

- Contributed to the development of a comprehensive crypto research assistant, implementing features to combat fake data and enhance transparency for investors.

Rajiv Gandhi Center For Aquaculture, Brugu software Solutions

02/2023 – 04/2023

- Played a pivotal role in implementing technological solutions to enhance efficiency within aquaculture management, focusing on backend development and database management.

Interests

- Travelling
