Percentage:-69% |
| 06/2016 – 04/2017 | SSLC
Sri Giriraja High School Harihar, India
Percentage:-77% |

🧠 SKILLS

- Languages : C Programming, C++, Java, Springboot, Python, Css, Html and Sql.
- Frameworks &tools: Spring, Django, GitHub,VS Code,Jupyter notebook,

📁 EXPERIENCE

- | | |
|-------------------|--|
| 2023
Bangalore | Internship(@Take it smart pvt Ltd)
Project: Face Mask Detection,Machine learning using python
Description: Face mask detection refers to detect whether a person wearing a mask or not. implementing a face mask detector using Haar Cascade in OpenCV python. |
|-------------------|--|

PROJECTS

2024 – 2024

Billing Management System using Python.

tkinter library, standard GUI toolkit.

This project offers an intuitive graphical interface for both customers and store owners to manage transactions seamlessly. Users can input customer details (name and phone number), along with the quantity of various grocery items purchased. The application then calculates the total bill amount, providing an overview of the transaction.

12/2022 – 05/2023

Driver Drowsiness detection

Machine learning with Python

Description: We will be using OpenCV for gathering the images from a webcam and feed them into a Machine learning model which will classify whether the person's eyes are 'Open' or 'Closed'. In the landmarks of the driver's face are obtained and then using these landmarks some parameters such as the percentage of eye and mouth.

07/2022 – 08/2022

Object Reflect on Mirror

Computer Graphics

Description: We proposed a new C program for 2D reflection in Computer reflection. It is much easier and less complex than the existing one. Better understanding in academics. More helpful in solving large scale problems.

11/2021 – 02/2022

NGO Management System-DBMS.

Front End: HTML, CSS, JavaScript, **Back End:** PHP

Description: This website can add multiple volunteers and donors admin. NGO database management system manages all details.

CERTIFICATES

Full Stack web development 2022.

Certification of Participation in Workshop from UBDT College of Engineering, Davanagere

Certification of Participation in Python training from besant technologies 2023

C++ in great learning 2022.

Certification of Participation in java online course from KG Coding 2024

INTERESTS

Exploring the new things • Singing • Leadership skills • listening to music
