EXPERIENCE

TRAINEE ANALYST

QSpiders, Bengaluru, Karnataka

April 2024 - Till date

Roles and Responsibilities:

Student Counseling: Engage with students to understand their educational background, interests, and career aspirations. Provide personalized advice on which courses would best suit their goals. Explain the curriculum, duration, fees, and other relevant details of each program.

Admissions Process: Guide students through the step-by-step process of applying to QSpiders. Help them complete application forms accurately. Inform them about eligibility criteria and ensure they meet these requirements. Collect and verify necessary documents, such as academic transcripts and identification.

Career Guidance: Provide insights into various career paths within the IT industry, particularly in software testing. Share information about job roles, industry demand, and growth opportunities. Help students understand the skills and qualifications needed for different IT roles.

Follow-ups: Maintain a schedule for regular follow-up calls or emails with prospective students. Address any additional questions or concerns they might have. Provide reminders about application deadlines, upcoming information sessions, or special events.

Database Management: Keep accurate records of all student inquiries, applications, and admissions. Update the database with new information as it becomes available. Generate reports to track the progress of admissions and identify trends.

Problem Resolution: Listen to student concerns (who joined/under training) regarding the courses, faculty, or administrative processes. Address and resolve issues in a timely and effective manner. Escalate more complex problems to higher management if necessary.
