Contact Information:

Contact No:8801605185

Current Location: Vijayawada

- LinkedIn Profile: <https://www.linkedin.com/in/talasila-uday-kiran-8362a5297>

Carrer Objective:

Seeking a challenging position in a reputed organization where I can learn new skills, expand my knowledge, and leverage my learnings.

Educational Qualifications:

Course	Institute	University/Board	Year of Completion	Percentage/CGPA
B.Tech(ECE)	DVR & Dr. Hs MIC College of Technology	JNTUK	2024	7.8
Diploma	Usha Rama collage of engineering& technology	Board of Technical Education & Training, AP	2020	7.2
SSC	Sindhu Nikethan school	Board of Secondary Education, AP	2017	8.5

Technical Skills:

Operating Systems: Microsoft office, Turbo C7, Jupyter notebook, MATLAB & Simulink, Xilinx, UIPATH studio

TECHNOLOGIES: JAVA Script, RPA(Robotic Process Automation), SAP, UIPATH, Manual Testing, SQL, HTML5, CSS, Mongo DB.

Languages: C, Python, DBMS, VHDL, VLSI Designing, Verilog code

Personal Skills:

- Time Management
- Good Communication Skills
- Good Listener
- Team leader

Project Experience:

IOT SMART AGRICULTURE & AUTO IRRIGATION SYSTEM WITH ESP8266

- In this project, we will learn about the IoT Based **Smart Agriculture & Automatic Irrigation System** with **Nodemcu ESP8266**.
- We proposed **ESP8266 IoT Automatic irrigation system** to modernize and improve the productivity of the crop.
- This project explains how to make **IoT Smart Agriculture with Automatic Irrigation System** using some simple sensors that are available in the market.

POLLUTION DETECTION :

This research proposed a smart air pollution monitoring system that constantly keeps track of air quality in an area and displays the air quality measured on an LCD screen. ▪ It also sends data measured to the “Thing speak” platform. The system helps to create awareness of the quality of air that breathes daily. ▪ This monitoring device can deliver real-time measurements of air quality

CHQUE DATA SCRAPING USING **RPA**:

I have done my own project by my knowledge and Implemented an RPA solution to automate the data scraping process for cheques. To develop a robust UiPath automation solution that extracts key information, such as the cheque number, date, payee name, amount, and MICR code, from cheque images and stores it in a structured format.

Example Workflow

1. **Input:** Upload a folder containing scanned cheque images.
2. **Preprocessing:** Enhance image quality using UiPath's image processing activities.
3. **Extraction:** Use OCR to read cheque details and regex for structured data extraction.
4. **Validation:** Compare extracted data against predefined rules.
5. **Output:** Save validated data in Excel or a database for further processing.

Certifications:

- Python Programming-APSSDC
- Introduction to Data Science-CISCO
- 6 months Industrial training in “CISCO CERTIFIED NETWORK ASSOCIATION”
- Cloud Computing and Distributed Systems-NPTEL
- Hardware Design and Development for Embedded Systems and IOT-C-DAC
- Diploma in **UIPATH** basics & advance from UIPATH academy

Achievements:

- Awarded second position in Paper presentation at **USHA RAMA COLLAGE OF ENGG& TECH**
- Won the prize on **Cross-word** contest
- Secured third position in the event spoken **English** organised by **English Club**
- Secured 3rd position in ADITYA collage of engg & tech in project Expo
- Awarded second position in poster presentation at **DVR &Dr Hs MIC College of tech**

Interpersonal Skills:

- Self-motivated and Self-Confident
- Quick learner
- Team leader

Internship:

Mathworks Virtual Internship program on Get Started with AI: AICTE (All India Council for Technical Education)

Duration: 4 months

Key Skills: MATLAB Onramp, Image Processing Onramp, Signal Processing Onramp, Machine Learning Onramp, Deep Learning Onramp

South Central Railway: Signaling & Telecommunication

Duration: 4 months

Personal Profile:

Date Of Birth	: 24-09-2001
Father's name	: T. Subbha Rao
Mother's name	: T. Sunitha Rani
Nationality	: Indian
Marital Status	: Unmarried
Languages Known	: Telugu, English,Hindhi
Hobbies	: Travelling, Gardening, Spending time with family and friends
Address	: 12/757, Road no:1A, MAhanadu,Tadepalli Guntur(dt), Andhra Pradesh

Declaration:

I hereby declare that the particulars of facts and information started above are true, correct and compete to the best of my belief and knowledge.

Station: Vijayawada
