Professional Summary

Vendor Management professional with 8 years of experience in end-to-end vendor operations, procurement, and contract management, ensuring efficiency, compliance, and strong vendor relations. Skilled in vendor data analysis, reporting, cross-functional collaboration, and operational efficiency.

Experience

Accenture (2017 -Present)

Vendor Management Lead

Managed end-to-end vendor operations including selection, onboarding, performance monitoring, and contract management.

Built and maintained strong vendor relationships by proactively resolving queries, addressing escalations, and ensuring smooth collaboration.

Analyzed vendor pricing models, quotations, and proposals to ensure cost competitiveness and alignment with business requirements.

Ensured vendor compliance with organizational IT policies, data security standards, and audit/regulatory requirements.

Created and processed purchase orders, tracked procurement activities, and ensured timely completion of vendor deliverables.

Handled vendor databases, invoices, contracts, and compliance documentation, maintaining accuracy and audit readiness.

Reviewed and analyzed MSAs, SOWs, and vendor contracts to assess scope, cost structures, and compliance, ensuring alignment with business objectives and risk mitigation.

Conducted periodic reviews of vendor performance (SLAs, OTIF, compliance metrics) and provided insights to management for decision-making.

Reconciled purchase orders, invoices, and payments, ensuring accuracy and timely settlements.

Monitored expiring contracts/licenses and facilitated renewals or transitions to avoid disruptions in operations.

Managed new supplier setup and onboarding processes, ensuring seamless integration into procurement systems and adherence to company policies.

Partnered with cross-functional teams to validate business needs and ensure vendor performance supports organizational goals.

Supported process improvement initiatives by implementing vendor dashboards and tracking tools to enhance reporting and performance visibility.

Drove vendor negotiations to optimize terms, improve margins, and strengthen long-term vendor partnerships.

Guided a team of vendor management professionals to ensure smooth operations and timely deliverables.
