Education

JUNE,2021
B.TECH., ECE
NIT Rourkela
CGPA : 7.07/10

MAY 2017
INTERMEDIATE
Vikash Residential School, Bhubaneswar
Percentage: 95.2%

MAY 2015
MATRICULATION
Public School Jeypore, Jeypore
Percentage: 92.5%

Skills

GENERAL PROGRAMMING
C, C++, Python,SQL,MongoDB
OPERATING SYSTEMS
Windows, MacOS,Ubuntu
TOOLS AND FRAMEWORKS
Apache Airflow,Hive, AWS Redshift
LANGUAGES
English, Hindi, Odia,Telugu

Relevant Courses

Computer Vision
Deep Learning
Machine Learning
Data Mining
Association Rule Mining
Edge Computing

Publications

2019 **Deep-Learning based Loitering Detection System**
Link to Article
The AI algorithm detects loiterers in real-time

Work Experience/Projects

JULY,2022-NOW **Qualcomm** **ML Engineer**
AIMET
Optimized AI models in Computer Vision, NLP, and LLMs/LVMs using AIMET.
Trained and deployed models across TensorFlow, PyTorch, Keras, and ONNX.
Managed platforms to track AI model KPIs, ensuring data integrity.
Handled large datasets from preprocessing to postprocessing with evaluation metrics.
Collaborated with data scientists to enhance model accuracy and efficiency.
Designed and deployed tech solutions for predictive analytics.
Led and mentored engineering teams, fostering innovation and collaboration.

NOV,2021-JULY 2022 **Pharmeasy** **Data Scientist**
Developed recommendation systems for diagnostic products, doubling CTR and increasing conversions by 1.5X.

Predicted user purchase propensity for diagnostics using advanced machine learning and feature engineering

SEPT-OCT,2021 **Spacejoy** **ML Intern**
Built deep-learning pipelines for reverse image search, integrating MongoDB with business analytics

Achievements/Certifications

SEPT,2019 **Most Innovative Research Award by ISRO** **Winner**
Research on World Coordinates Retrieval System using deep learning models and triangulation methods

OCT,2019 **Myntra-Jabong HackerRamp** **Runners up**
Developed a virtual trial room using image segmentation and pose estimation algorithms

Extra Curricular Activities

2017-2019 **Core Team,Event Management** **Innovision**
Organised the annual technical festival of the institute
