Work Experience

NIQ India Pvt Ltd - TeamLead - Ref Data Ops

Chennai, India

01/2024 - 02/2025

- Led a team of 25 associates and SME's in delivering accurate and high-quality sales data by validating all product attributes, strengthening data reliability for consumer insights.
- Developed interactive Power BI dashboards and performance scorecards to monitor team productivity, identify gaps, and drive continuous improvement.
- Engaged with stakeholders to boost customer retention and ensure successful contract renewals.
- Managed daily tasks, including report generation, leave scheduling, and coordination of compliance training, to ensure organizational efficiency and adherence to regulatory standards.
- Implemented structured quality control practices, enhancing efficiency, minimizing reporting errors, and boosting client satisfaction.
- Managed a diverse portfolio of clients across the UK and Nordic countries, driving client satisfaction, and business growth.

Groupon - Team Leader

Chennai, India

04/2013 - 12/2023

- Oversaw a team of 22 customer support and merchant support representatives, ensuring that daily operations met organizational standards and customer satisfaction goals.
- Define and analyze key performance metrics, including productivity, SLA, CSAT, quality, and resolution rates, to drive operational success.
- Oversee the efficiency and effectiveness of daily team operations, ensuring adherence to Standard Operating Procedures (SOPs) and Key Performance Indicators (KPIs).
- Utilized Tableau for comprehensive report analysis. Leveraged report analysis to

- identify gaps and implement strategies that enhanced overall team performance.
- Facilitated collaboration through weekly strategic meetings with business leaders to drive key initiatives.
- Handled fraud escalations through the Accertify platform, and monitored chargeback status to ensure timely resolution.
- Optimized social media customer support through Sprinklr, improving response efficiency, and service quality.
- Supported initiatives to refine chatbot AI accuracy, leading to more effective customer interactions.

GK Expertise - Client Relationship Manager

Chennai, India

02/2010 - 03/2013

- Progressed from executive to Client Relationship Manager, demonstrating commitment and adaptability.
- Executed successful product marketing strategies while managing manpower allocation effectively.
- Established quality assurance practices across customer and vendor interactions for improved service delivery.
- Managed comprehensive vendor services and nurtured client relationships to secure contracts.
- Achieved a 70% conversion rate of potential clients into loyal customers through targeted marketing.
- Streamlined recruitment and training of project engineers to support company growth.
- Developed and delivered project plans tailored to customer needs, ensuring budget compliance.
- Identified improvements and cost-saving measures to enhance efficiency in all projects.

Accomplishments

NIQ :

- Spearheaded the EURD Lead (Learn, Develop, and Educate) Program initiative, which standardized validation processes and reduced quality escapes by over 300 per month.
- Project transitions with on-time completions resulted in cost savings of \$8,633 during the transition from TCS.
- Created end-to-end SOP for multiple countries, improving the first-time right rate and overall quality of the client data.

Groupon :

- Awarded Quarterly Star Awards in 2014, 2017 and 2019.
- Recognized and awarded multiple Champion of the Month and Extra Miler for individual as well as team performance.
- Integral part of the project: FS 90 Effective People Management Program.
- Created and delivered effective training solutions that enhanced team productivity by 30% with a 97% quality success rate
