EDUCATION

SRINIVAS UNIVERSITY INSTITUTE OF ENGINEERING AND TECHNOLOGY

Bachelor of Technology; Computer Science and Engineering

Mukka, Mangalore
Aug 2019 – Jun 2023

- Cumulative GPA: 8.71/10.0

SHAMILI PRE UNIVERSITY COLLEGE

Senior Secondary(12th); PCMC

Udupi
Jun 2018 – Mar 2019

- Percentage: 77.62%

FLOWERS OF PARADISE PUBLIC SCHOOL

Senior School(10th); SSLC

Udupi
Jun 2016 – Mar 2017

- Percentage: 77.92%

EXPERIENCE

VITVARA TECHNOLOGIES

Android App Development Intern

Lalbagh, Mangalore
Aug 2022 – Sep 2022

- Vitvara Technologies specializes in delivering a wide range of software solutions and services, including the development of robust cybersecurity networks, creating responsive and secure web applications, and designing and implementing mobile applications for various platforms.
- Additionally, Vitvara Technologies offers cloud consulting services to help businesses optimize their cloud infrastructure and leverage the benefits of cloud computing technologies for improved efficiency and scalability.
- <https://www.vitvara.in/>

MEDHAVART SYSTEMS

Data Analytics Internship

- Designed and implemented ETL workflows using Informatica PowerCenter for data extraction, transformation, and loading from Oracle databases.
- Successfully migrated and transformed large datasets, optimizing data quality and integrity while ensuring smooth integration into data warehouse tables.
- Automated ETL processes and optimized performance through advanced data transformation techniques, improving efficiency and reducing processing time.

PROJECTS

FAKE PRODUCT IDENTIFICATION USING BLOCKCHAIN

Mukka, Mangalore
Mar 2023 – May 2023

- Developed a decentralized system using blockchain technology to address the growing issue of counterfeit products.
- Enabled collaborative product authenticity verification for consumers, manufacturers, and regulatory authorities.
- Enhanced consumer safety and trust by promoting transparency and reliability in the market.

SCHOOL BUS TRACKING SYSTEM

Lalbagh, Mangalore
Aug 2022 – Sep 2022

- Developed an Android-based bus tracking system utilizing Google Maps and Firebase, allowing real-time monitoring of bus locations with live updates on the map.
- Implemented Firebase Realtime Database to securely store and retrieve bus location data, ensuring consistent and synchronized location updates.
- Designed an interactive map feature with custom markers that display bus details (ID and location) when clicked, enhancing user experience and providing essential information at a glance.
- https://github.com/Vikas3528/School_Bus_Tracking_System_App

SALES ANALYSIS ETL WITH ORACLE AND INFORMATICA

- Developed an ETL process using Informatica to extract sales data from an Oracle database, transform it by calculating daily total sales, and load it into a data warehouse for analysis.
- Utilized Informatica's Expression Transformation to perform real-time calculations and data manipulation, enhancing the quality and accuracy of analytical reporting.
- Delivered a complete data analysis workflow by integrating Oracle and Informatica, enabling the generation of actionable insights from transformed sales data.

CUSTOMER SEGMENTATION AND PROFITABILITY ANALYSIS USING ORACLE AND INFORMATICA

- Designed and implemented an advanced ETL pipeline using Informatica to extract, transform, and load customer transaction data from multiple sources into an Oracle database, facilitating accurate customer segmentation.
- Leveraged Aggregator and Expression transformations to calculate TOTAL_SPENT for each customer and categorize them into segments (e.g., High, Medium, Low Value), ensuring data-driven customer insights.
- Enhanced data processing efficiency by automating segmentation logic and integrating calculated metrics into the CUSTOMER_SEGMENTATION table, enabling streamlined analytics and reporting for business decision-making.

SKILLS

- Proficient in android studio, Java, XML, Communication skills, Problem Solving.

INTERESTS

- Good Research Skills
- Attention to Detail
- Problem-Solving skills
- Debugging skills

LANGUAGES

- Fluent in English and Kannada
- Conversational Proficiency in Hindi
