WORK EXPERIENCE

Associate L2

Innova ESI Pvt. Ltd

10/2024 - Present

Gurugram, Haryana

Publicis Resources

- Delivered L1/L2 production support for UiPath bots, ensuring timely incident resolution and minimizing downtime.
- Monitored and maintained bot performance in Orchestrator, addressing failures to enhance system reliability.
- Collaborated with cross-functional teams to resolve production issues, optimizing automation workflows.
- Conducted root cause analysis (RCA) for recurring issues, implementing fixes to prevent disruptions.

I.T. Analyst

Tata Consultancy Services Ltd.

08/2019 - 09/2024

Noida, Uttar Pradesh

Achievements/Tasks

- Led and developed RPA solutions as an RPA Support Lead and Developer, overseeing automation lifecycle, troubleshooting, and optimizing UiPath robots for enhanced performance.
- Worked with global clients in the BFSI domain (Lloyds Banking Group, UK) and the BTG domain (CISCO), focusing on RPA process optimization and automation solutions
- Developed and deployed six end-to-end automation solutions integrating database and SharePoint.
- Upgraded UiPath Studio and Orchestrator from v2019 to 2022, boosting system performance, functionality, and security, including SSL certificate renewal and integration with the production Orchestrator.
- Implemented BIZ's Automation Suite, integrating AI Center and Document Understanding for advanced automation.
- Managed production deployment and support, leveraging UiPath Orchestrator functionalities and specializing in exception handling to ensure process stability.
- Delivered ongoing operational support, including system upgrades, defect fixes, and process change activities.
- Conducted functional and knowledge transfer sessions for support teams to enhance production efficiency.
