PROFESSIONAL EXPERIENCE

Regional Talent Acquisition Leader (Bengaluru)

Jan 2012 to Till Date

- ❖ Established strong campus relationships with **250+ engineering colleges** and graduate/postgraduate institutions across Karnataka. Engaged with universities, TPOs, management, and student bodies to enhance the company's brand presence and attract diverse talent
- ❖ Consistently achieved annual hiring targets of over **15,000 freshers**, encompassing both engineering and non-engineering graduates, including MBA, BSc, BCA, B.Com, BBA, and other disciplines
- ❖ Facilitated the annual onboarding of an average of **12,000 experienced professionals in Bangalore**, ensuring a seamless integration process and positive employee experience
- ❖ Led the end-to-end talent acquisition strategy for the organization, managing a diverse team of recruiters to meet both volume and niche hiring needs across multiple regions.
- ❖ Led Employer Branding initiatives, including Leadership Connect Sessions, campus engagement activities (pre and post-campus), industrial visits, and TPO meetings, to strengthen brand presence and attract top talent
- ❖ Leads the Recruitment team, overseeing performance reporting, analytics dashboards, technology tools, and SOPs. Manages vendor relationships and conducts audits to ensure process efficiency and compliance
- ❖ Develops a resource pipeline to support the ramp-up of future projects, ensuring a steady flow of qualified talent to meet evolving business needs
- ❖ Collaborates closely with business leaders to drive quality assessments and ensure a high-touch candidate experience throughout all stages of the recruitment process
- ❖ Managed end-to-end recruitment for key roles, ensuring a seamless candidate experience and strong alignment with the company's culture and values.
- ❖ Partnered with business leaders and HR Business Partners to define and execute the campus recruitment strategy, setting clear goals and driving alignment with organizational objectives
- ❖ Currently managing Campus Hiring, Experienced Professional Hiring, Onboarding, and Background Check (BGC) teams, ensuring efficient recruitment processes across all stages
- ❖ Lead workforce management by providing staffing plans to meet business needs, consistently achieving quarterly fulfilment targets, often exceeding 85%. Introduced the Staffing Potential Grid strategy to ensure the right staffing focus and alignment with organizational goals
- ❖ Managed vendor relationships, negotiating contracts, and ensuring effective partnerships to support recruitment efforts and reduce costs.
- ❖ Monitor and prioritize critical requirements across units, driving them to closure to ensure alignment with revenue targets and business objectives
- ❖ Oversee and manage staffing escalations, ensuring prompt resolution and maintaining smooth recruitment operations
- ❖ Drove workforce optimization initiatives, developing resource pipelines and providing staffing solutions to meet business objectives.
- ❖ Ensure optimal deployment and monitoring of associate mix (trainees, experienced professionals, seniors, and juniors) across projects and locations, aligning resources with project needs and business goals

Business Analyst (Bengaluru)

Oct 2006- Dec 2011

- ❖ Served as a Business Analyst for over 5 years in the banking domain, providing insights and driving process improvements to meet business objectives
