[linkedin.com/in/vishnu-kumar-937213a5](https://www.linkedin.com/in/vishnu-kumar-937213a5)

Summary:

- Seasoned recruitment professional with over a 10 years of comprehensive experience in full-cycle recruitment across various industries.
- Expertise in sourcing, interviewing, and placing top talent while ensuring a seamless candidate experience from initial contact through onboarding.
- Proficient in leveraging innovative recruitment strategies, including social media, job boards, and networking, to identify and attract high-caliber candidates.
- Strong background in partnering with hiring managers to understand business needs, develop job descriptions, and create effective hiring plans. Adept at managing high-volume recruitment and specialized searches, delivering results in fast-paced environments.
- Hands-on experience in using tools like Naukri, LinkedIn Recruiter, Dice, Monster and ATS (JobDiva & Workday).

Key Competencies:

- Talent Acquisition Strategy: Develop and execute tailored recruitment strategies to meet organizational needs, including workforce planning, diversity initiatives, and employer branding.
- Candidate Sourcing & Pipeline Development: Utilize advanced sourcing techniques to build and maintain a robust pipeline of qualified candidates, including passive candidates.
- Interviewing & Assessment: Conduct thorough interviews and assessments to evaluate candidate qualifications, cultural fit, and alignment with organizational goals.
- Stakeholder Collaboration: Collaborate closely with hiring managers and HR teams to refine job requirements, streamline the recruitment process, and ensure successful placements.
- Data-Driven Decision Making: Track recruitment metrics, analyze data, and provide insights to improve the efficiency and effectiveness of recruitment practices.
- Compliance & Best Practices: Ensure adherence to recruitment policies, employment laws, and best practices to maintain a fair and equitable hiring process.
- Onboarding & Retention: Facilitate smooth onboarding processes and work with HR teams to support employee retention initiatives.
