SUMMARY

As a Senior Sales Leader with nearly 23 years of experience in consumer durables and paints industry, I have overseen double-digit market growth and built high-impact channel ecosystems across South India. In my latest role at BSH Household Appliances Manufacturing, I expanded market share in the front-loader category from 14% to 16% within a year and delivered 45% growth in dishwashers. I also realised 30% sales growth in built-in products and established new business lines in DC refrigerators and semi-automatic washing machines. My hallmark lies in transforming regional performance through evidence-based sales strategies, agile teams, and adaptable GTM models.

"Yathiraj had consistently demonstrated his leadership skills, strategic thinking, and problem-solving skills, which were invaluable to our team. His ability to juggle multiple tasks, stay organised, and maintain a positive attitude made him a pleasure to work with." – Radhakrishna Somayaji, VP, ARMOR-IIMAK
