SUMMARY

As a blockchain lead at Chainlabs, I manage a team crafting innovative solutions for diverse projects. With 6 years in IT and 4.5 years leading blockchain development, I specialise in NFT marketplaces, Fungible Tokens, ICOs, staking, DEX, and more. Proficient in Ethereum, BSC, Solana, and more, I also excel in Python, and Scrappy. Holding a master's in computer applications, I'm passionate about continuous learning and tackling new challenges in blockchain.
