Education

Ramkrishna Mahato Government Engineering College

Bachelor of Technology in Computer Science and Engineering, 8.48 CGPA

July 2018 – July 2022

Purulia, West Bengal

Rasulpur High Madrasah

Higher Secondary, 74.20%

April 2016 – May 2018

Bankura, West Bengal

Belut High School

Secondary, 69.43%

March 2005 – April 2016

Bankura, West Bengal

Summary

I have graduated B.tech in the specialisation of Computer science and engineering and have experience in Application framework and middleware(C/C++). Also having basic knowledge of Protocol Stack Modem.

Technical Skills

- C/C++
- Python
- gRPC
- Socket programming
- 3GPP
- LTE
- Linux

Experience

Sasken Technologies

Software Engineer

September 2022 – Present

Kolkata, West Bengal

- C/C++

Projects

Joynext NavCore | C++

Project Details :

- It is a advance navigation system to ensure safe and efficient route planning which containing many feature like: Built-In GPS Navigation , Maps and Points of Interest (POI) , Touchscreen Interface , Voice Control , Real-Time Traffic Information , Smartphone Integration , Navigation Assistance , Offline Navigation , Personalization Options etc.

Responsibilities :

- I am a key developer and analyst of this project. I have taken ownership of Predictive Street Data(PSD). From starting of this project I have Fixed multiple bug and made code changes for adding multiple new feature. Along with that I did some aspice task related to architecture design as well.
- I am also worked for positioning module. In that how position information (GPS,Dead Reckoning,Mapmatch position) coming to positioning module.

Tools Used

- Jira
- Git
- Jenkins
- Putty
- VS Code
- Polarian
- confluence

Professional Certifications

- C++ Beginner to Beyond
- Data Privacy
- 5G Core - Architectures

Awards and Recognition

I have been awarded SPOT AWARD for my dedication and contribution towards NavCore project.

Other Courses

- * course Ethics In Engineering Practice conducted by NPTEL.
- * Programming, Data Structures and Algorithms Using Python conducted by NPTEL.
- * Enhancing Soft Skills and Personality conducted by NPTEL.
