SUMMARY

Junior Software Developer with experience in **Android (Kotlin)**, **C++**, and **Unreal Engine**. Skilled in developing, integrating, and optimizing software solutions. Enthusiastic about learning new technologies and solving complex problems.

EXPERIENCE

Junior Software Engineer - Zuru Tech

Jan 2024 - Aug 2024

- Developed an **Employee Management System** using **Unreal Engine** and **C++**.
- Collaborated on a **BIM software tool** for **architectural visualization** using **modern C++** and **Unreal Engine**.
- Integrated third-party libraries to enhance software functionalities.
- Trained in **C++** and **Unreal Engine** development, contributing to the platform's architectural and visual design.

Android Developer - Silversky Technology

Mar 2023 - Aug 2023

- Developed and maintained **Android applications** using **Kotlin**, improving **user experience** and **performance**.
- Integrated **third-party APIs** and **libraries**, and implemented responsive **UI/UX designs**.
- Collaborated with design and backend teams for feature integration.
- Achieved a 20% reduction in crash rates through **debugging** and **troubleshooting**.

PROJECTS

ArchViz Explorer Tool

[GitHub](#)

Developed an **ArchViz Explorer Tool** in **Unreal Engine** using **modern C++**. Features include road construction, building creation, interior design, and dynamic material management.

Employee Management System

[GitHub](#)

Developed an **Employee Management System** using **Modern C++** and **SQLite** with **CRUD operations**, **unit testing** (**Google Test** and **GMock**), and **performance optimization** (smart pointers, lambda expressions, multithreading).

Vardhan Ticket Raising System

[GitHub](#)

Developed a **ticket management system** using **Java Spring Boot** and **Oracle Database** to log client queries, with admin assignment to field engineers for resolution.

EDUCATION

2022 - 2024	MCA at LD College Of Engineering	(GPA: 7.8/10.0)
2019 - 2022	BCA at Veer Narmad South Gujarat University	(GPA: 7.4/10.0)

SKILLS

Tech Tools	C++ (11, 14, 17), DSA, Unreal Engine, Mesh Generation, parallel programming, VC++, STL CMake, Git, GitHub, GTest, GMock, Visual Studio, Android Studio
Soft Skills	Leadership, Teamwork, Troubleshooting, Debugging, Communication, Teaching
